

Look I'm Back!

woohoo!

*...but just so you know,
Santa has eyes on YOU!
He had me install this North Pole Cam,
to catch you misbehaving if he can.*

*But I know he won't
have anything to see,
You'll be as nice and
helpful as can be!
And just like you
can't touch me,
don't mess with
the camera
in the tree!*
