

# A PRAYER FOR OUR FAMILY

Lord, thank you for my family.

I bless my children and each of their unique gifts.

Fill each one with love, compassion and understanding for a new day.

Protect them. Keep them from harm, illness, and temptation.

Give them confidence, peace and perseverance in trials.

Bless their teachers with wisdom, understanding, and a heart to serve.

Thank you for leading our family, guiding me as a parent,  
and making us more like You every day.

I bless my family, and commit them to You in Jesus' name!

Amen :-)
