

SPECIAL NOTE

FROM SANTA

HELP!

We need more toys at the North Pole to fill all of the orders this year!!

I've noticed that some toys you play with ALOT and others have been a little lonely! But that's ok!! I know some little boys and girls who would LOVE to have them!!

Will you please put them in HERE and place by the front door once its full? I will have an elf pick them up right away!!

And for being so generous, you will have a special surprise on Christmas!

SINCERELY,

Santa
